A Last Hope Membership Renewal Reminder from Daisy, Simba & Popeye…

Dear Friend,

Daisy, Simba and Popeye are giving you a gentle wink to remind you to start or renew your yearly membership to **Last Hope** as a way of helping them, as well as all the cats and dogs rescued, vetted and placed by **Last Hope**.

In 2015, we found loving homes for 575 cats and 245 dogs. Some like our winking trio had medical conditions or disabilities. Daisy, Simba and Popeye all needed one eye surgically removed.

We need YOU to be on the **Last Hope** team. Just think how many more kittens we could save with your membership- kittens like "Simba" rescued from under an Islip deck when his eye was badly infected; or dogs like "Daisy" a young Kentucky Coonhound possibly suffering from glaucoma, and "Popeye" a Long Island town shelter Chihuahua we thought had been hit by a car but now suspect was abused (because he also had a broken jaw and four embedded pellets).

Last Hope is also trying to improve the quality of life for animals that may never know the comfort of a loving home. Therefore, your membership also allows **Last Hope** to continue community outreach including our Fix-A-Feral program which makes it financially feasible for caretakers to spay/neuter feral cats they are feeding; and to offer more public outreach, providing free rabies vaccines to all Nassau/Suffolk pet owners and subsidized vet care to owners facing hard times.

Please consider starting or renewing your membership at one of the levels listed on the coupon below. Your membership will be valid for a year from the date your form below is received, so you are not losing any time by renewing now. Thank you for your continued support of **Last Hope**. Daisy, Simba and Popeye thank you too.

With appreciation,
Linda Stuurman
Last Hope President
