If you have a pet (cat or dog) that needs to be spayed or neutered and you are on disability, unemployed for 6 months or more, or on public assistance, **LAST HOPE** through the generosity of **PET PEEVES, Inc.**, has limited funding to pay for this mandatory operation for your dog or cat. In order to qualify for these spays and/or neuters, we ask that you complete the following questionnaire and mail it or fax it back to us at:

LAST HOPE, INC.
Attn: LH Spay/Neuter Campaign
P.O. Box 7025
Wantagh, NY 11793
Fax 516-783-0032

Please Note: The number of free spay/neuters that we can offer the Long Island public is limited (no more than two will be given per household) and these will be given out on a first come, first serve basis. You must submit copies of all appropriate paperwork supporting your claim of disability, unemployment or welfare status. We reserve the right to deny any application if we deem it does not meet our criteria of need. Thank you.

Please allow 10 days for processing. You will receive a voucher back in the mail for your pet. All spays/neuters include a mandatory rabies vaccination.
